Singapore

22 May 2006

Dear Dr Quah

Entry to: BSc (Hons) Property Development
BSc (Hons) Property Marketing Design and Development

Further to our meetings in London and Singapore together with the mapping of your curriculum against our programmes I can confirm the following.

Students, who have successfully completed your Intermediate Diploma in Real Estate Management, subject to the normal individual admissions criteria of the University of Portsmouth and the requirements of the Royal Institution of Chartered Surveyors where appropriate, will be eligible for entry to level 2 of the above degrees.

I very much enjoyed my visit to the Real Estate and Construction Centre, Singapore. I hope that this will mark the start of a long term successful Partnership.

Yours sincerely

Tim Goodhead

Dean (Elect)
Faculty of Technology
